"Basketball Excellence"

FOREWORD

The following policies and guidelines have been developed by the Bendigo Junior Braves Committee in consultation with the Bendigo Basketball Association (BBA) to assist everyone involved in the Junior Squad program to better understand how the program operates. There is an expectation that by agreeing to be involved in the Junior Squad program every coach, player, parent, committee member and official shall abide by the policies and guidelines in this document. People should not act in a manner contrary to the Junior Squad Policies and Guidelines.

The Board also recognises that Junior Squad Policies and Guidelines do not cover every scenario that may arise during the course of the season. As such the Bendigo Basketball Association Board and the Director of Coaching, in consultation with the Junior Braves Committee under the boards annex is the controlling entity.

The BBA expects all concerned with the junior squad program to adhere to these policies. The board reserves the right to uphold, alter or make any decision, in the running of the Junior program, including any direction given to the Director of Coaching by the Junior Braves Committee.

This document must be read and acknowledged by players, parents, coaches, team managers, committee members and any other party that has an interest in the junior squad program before taking up any role in the program.

JUNIOR BRAVES COMMITTEE STRUCTURE

1. A group of volunteers known as the Junior Braves Committee working with the Director of Coaching and the BBA are responsible for the day to day running of the Junior Squad Program. It is imperative that committee members do not disseminate information and do not relay false or misleading information and personal opinions outside of the committee. Confidentiality is to be maintained at all times.
- ii. It is the aim of the Junior Squad Program to create a positive and supportive environment for each coach and young player to improve and develop. Operating a junior basketball program of this size is difficult and at times there can be some problems. The Committee is to try and offer alternatives, solutions, support, and assistance and encourage all members of Bendigo Junior Braves, including Players, Parents, Coaches, and Team Managers.
- iii. Important operational decisions should only be made, with a minimum Quorum of committee members. Committee members should be present at the meeting in which the vote is to take place. Proxy votes are permitted in certain circumstances, if a committee member has a reasonable excuse for non-attendance at a meeting. Committee members must attend at least 2/3rds of the scheduled meetings during the current squad season. Committee members who do not attend the minimum number of meetings may have their position declared vacant.

- iv. If agreement on a decision is not able to be made due to a dead-locked vote the Chairperson has the deciding vote. If it is still not able to be resolved then the agenda item must be referred to the BBA.
